Each of the four marking period grades will represent _____ of the Final Grade for a full-year course, and each of the two marking period grades will represent _____ of the Final

For all courses in Grades 6, 7, and 8, each of the four marking period grades will represent 25% of the Final Grade for a full-year course, and each of the two marking period grades will represent 50% of the Final Grade for a one-semester course.

For all courses, the calculation of the Marking Period Grade will be determined by using the following categories and percentages:

Category	Percentage
Attendance	25%
Classroom Behavior	25%
Academic Achievement	50%
